

GAS-WATER BLOCK MICRODUCT CONNECTOR

- Easy “push-in” installation.
- Crystal clear transparent body.
- 95% of the material is made of non-metal.
- Tested in accordance to EN 50411-2-8:2009.
- Locking rings to prevent accidental removal of connector.
- Gas and watertight seal inside microducts with installed fibers.

FCST - Better FTTx, Better Life.

At FCST, we manufacture top-quality microduct connectors, microduct closure, telecom manhole chambers and fiber splice boxes since 2003. Our products boast superior resistance to failure, corrosion, and deposits, and are designed for high performance in extreme temperatures. We prioritize sustainability with mechanical couplers and long-lasting durability.

FCST aspires to a more connected world, believing everyone deserves access to high-speed broadband. We're dedicated to expanding globally, evolving our products, and tackling modern challenges with innovative solutions. As technology advances and connects billions more devices, FCST helps developing regions leapfrog outdated technologies with sustainable solutions, evolving from a small company to a global leader in future fiber cable needs.
